

**Pack 320 can always use a little extra help...
remember its only one hour a week!!!**

Our Pack is run entirely by volunteers and good help is always in high demand! We need your help! We will list some of the positions or tasks where assistance or a volunteer is needed. You can contact our Cubmaster, Bobby D. by email or catch him at one of our events, or den/pack meetings. You can also contact our Pack Committee Chair, Shawn O'Keefe by email concerning assistance with or volunteering for committee positions.

Here are just a few of the positions or tasks where your help would be greatly appreciated:

1. Tiger Den Leader and Assistant Tiger Den Leader(s) for our new Tiger Den
2. Assistant Wolf Leader
3. Assistant Bear Leader
4. Blue & Gold Committee Coordinator(s)
5. We are looking for a new Assistant Cubmaster – Please see Bobby D if interested
6. Bobby D could use a rest...he holds 4...count them 4 positions and could always use a hand (or a volunteer to take over a job). Would you like to step up to the plate? Besides our Cubmaster he also carries the load of:
 - * Membership & Recruiting Coordinator
 - * Civic/Conservation Assistant Coordinator
 - * Training Coordinator
7. If you look at our Staff page you will also see that other parents carry multiple jobs...can you help them? Give them an email an offer your services.
8. We also have other parents who are part of the Pack Committee and who volunteer a great deal of time to provide our sons with a fantastic scouting experience. Go to our Staff page, look at all the great positions that are there and contact the coordinators to see if you could be of assistance. (No you don't have to take over the job...but just help now and then!) Any assistance is always appreciated. Remember every person listed is also a parent with their own responsibilities and also carries a job outside scouting (at home or in the office). Don't believe that people volunteer because they have nothing better to do. They volunteer to provide the best time they can for every scout that participates in our Pack. And we love them all for their committeemen...be one of those folks! Make your sons proud!!
9. We always need parents to help out with our events such as the Special Events and Holiday Parties, etc. You can contact our Events Coordinator (Aimee Walker). She'd love to hear from you!
10. We have one major fundraiser a year, our Popcorn Sales.. You can contact our Popcorn Kernal (Sherry Morrison). A great deal of work is involved with coordinating sales, distribution, etc of the popcorn. Please contact them for whatever help you can provide. You bear a very small part of the overall cost per scout when you pay your dues. The bulk of our money to cover scouting costs are thru this fundraiser.
11. Parents to submit articles and photos to our monthly newsletter (starts back up in the Fall). Contact our Newsletter Editor (Jennifer Gamboa) to submit
12. Parents to submit photos to our Scrapbook Coordinator (Sherry Morrison). Parents take lots of pictures at our events but they seldom get submitted to our scrapbook. Your sons would love to see their pictures (both from pack and den events) in the Pack Scrapbooks so please contact her asap!
13. Leaders ...please contact the webmaster to get your den pages completed/updated. Den photos can be submitted as well as articles, news etc
14. Parents would you like to see something added to our website? Do you have photos from events, really great links, articles or would like to see something new added? Please contact the webmaster
